Hotline, Josh - Still looking for more hotline volunteers, goal is to have enough volunteers so that no calls ever go to voicemail. Jack B requested WCO consider providing hotline services for D18 /Columbia county. D18 has a hotline, but it is run on aging hardware. D18 wants to replace their existing telephone system. They are wondering if WCO's hotline is a viable solution. The I.T. committee will investigate and provide a response to D18.

IT Report, Mike G. - We only used 32/300 minutes on our hotline during the last billing cycle which ran January 16th through February 15th. So we had a pretty light month. However the current billing cycle has seen more activity, we have already doubled last months minutes. Our website continues to have strong activity. we tied our all-time high average of 82 views per day. we had 2,290 total views.
